 Sponsored By: Promised Land Missionary Baptist Church
 Hamburg, USA

Newly repaired water pump in the church

New vehicle face

New Faces of Young people

Village Name: Sitio TINAGO
 Newest children Bible study. The owner is now attended two sundays in the church, a fruit of our Family Bible study every Saturday.

Prayer Request:

- Pray for Calasanon Family as they make a decision for Baptism.

Breaking the Distance

This month leaves a lot of marks in our lives and in the field of our ministry, experiences that most of the time we appreciate God's love and grace. My hearts desire that this report will encourage each of us to move forward beyond our comfort zones which is I know most of us did. To all of you brethren, our greetings be in you!

It is my joy to

share to you the things that our God has done this month. God has answered our prayers concerning the Vehicle . He prepared the enough funds for the vehicle in the right time. He also prepared the vehicle that I prayed and is so fitted to the purpose of extending His works.

As you can see in the picture I know we all can praise God for this great gift he has given.

Thank you so much brethren for giving and extending your money for this vehicle project. Thank you also for your trust. For this means, the word of God be preach anywhere and distance is no longer a hindrance for the people to come to the church.

This vehicle will be useful for me, my family and to the ministry in anywhere God wants me to preach.

On the Move

For this month, the church attendance grows Sunday after Sunday it may be because of the result of the constant preaching and teaching of the

word of God. Our Sunday school children growth from 20 before now is 30 above. Our adult grow also and our young people added 5 new young

people. We have a collegiate bible study also during Saturday afternoon and we baptized also 1 college student as the fruit of that bible study.
