**The Mission**

Praise God for this great opportunity to share with you the greatness of our God.

The church in her work grows exceedingly. For almost every Sunday were able to pick up more people going to the church. Furthermore, our attendance also is increasing and as of this month our highest attendance is 51. Truly God has proven

any means God is working and he is showing to us that He was and He is and He will be!

And I am so thankful for you all, our work will not be powerful without your prayers. We are able to move on forward because of your financial help. AMEN!

Sunday November 1, A family decided to dedicate themselves to the Lord after our worship service . this is their first time to attend our church after a two Saturdays of bible study in their home. And I am so

thankful to God for answering my prayer for this family that in spite of the opposition from their relatives still they choose to give their lives to our God.
