

Samal Island -Philippines

Missionary: Bro. Ruvel T Albino
Sponsored by: Promise Land Missionary Baptist Church Hamburg USA

Today's Headlines

A short report on what happened in my country this past days.

Started last Friday September 19 a storm crash the Philippines with heavy rains that cause most of the provinces and most cities in the Philippines into floods throughout the streets of Metro Manila and surrounded provinces. The storm killed more than a hundred of people and destroyed homes and hundred are missing even right now.

Though our mission is far from the place which was hit by the

affected by the storm.

I am blessed that we have good weather here in Mindanao. And because of that we are able to do what we need to do every week.

storm, still I felt concerned to those Bible believing churches that I knew was affected. I would like to ask you to pray for those believers and churches whom now

Coming for Fellowship

Our Young people were able to

attend for the second time to their

monthly fellowship.

Our young people group is growing from 2 and now we

have 14 young people active in our church work. They are encouraged to invite their friends to attend church since transportation is not a problem anymore.

As our young people grow our Junior class is growing too.

one of our student
worker taught chil-
dren during Sunday
School.**

**This Young people also
taught the children a
Godly songs.**

Coming Services

This coming month of October, the church will be conducting three dedication services. These three children was one of the students of our children ministry. They are at the age of 13 and not yet dedicated to the Lord by their parents. Their parents were not able to bring them in their church in order to dedi-

cate them because their previous church (RC) demand a payment for a child to be dedicated to the Lord while in our church, that service is free.

Another event is that the baptism of 4 young people whom you can see in the picture. They were the fruit of the youth group organization.

So please pray for these coming event and the candidates for baptism.

Sold out for God

One of the things that I really enjoyed watching is to see our young people working for God in wholehearted. Things like basketball that it seems only a physical exercise but turn into a frontline, in a way to invite a young people to

be a part of the group and eventually winning that person to Christ. Our ladies young people also are doing children ministry with the help of my beloved wife. Every Saturday and Sunday they are teaching the children about Christ and the

very foundation of our faith.

Please Pray for these ministries.

Coming Activities next year

I would like to ask again from the bottom of my hearts to please help and pray for these coming activities.

1. February- Barnabas Activity (the giving of used clothing) optional activity. Optional, if we have used clothing be received the day the container arrived. So please send your old and used cloth-

ing in the container.

2. Church Thanksgiving and Baptism day probably on Sunday when Ptr. Michael Reese arrive.
3. Vacation Bible School- April. Again please help me this activity be done. I need your help financially and your prayer.
4. Our plan to move and live

in Samal Island.
