## FROM CHURCH TO A HOME

The month of April has written a new history for the church here. Since we already here in the Island I encourage the members to start having our Prayer meetings which we never did before. We decided that our prayer meeting will be conducted in the homes of our members for the

purpose of having a good fellowship to the family and for the purpose of winning their unbeliever relatives. Our first prayer meeting attendance were 24 with Bro Benjamin Dela Cerna as our new youth pastor and worship leader.

Both vehicle were used during the VBS.

### **YOUTH UPDATE**

The University of Mindanao (UM) located in Samal and the only college University here in the Island accepted my application and allow me to conduct a campus Ministry. Hopefully on the month of June our Campus Ministry will start recruiting students who wants to be a part of the said Campus organization.

With the help of our two Young people who are one of the school students of that University and with our constant prayer I know and believe that God will open some door and opportunity to reach out college students.

Note: we are the first and only Religious Organization that was approved and was given an opportunity in this University.

This is my first time also to start a ministry inside the Campus, Please help me gather some books that is fitted to this ministry.

Thank you so much for Reading this Report, my prayer that God will use this reports to encourage His people and children to be a Missionary in their family, in their country and the nations out there.
