

MISSIONARY MONTHLY REPORT

SAMAL ISLAND-PHILIPPINES

JANUARY 29, 2010

WHICH WAY FROM HERE?

Greetings from your brethren in the Mission field!

I know that you waited for so long to hear once again on how God moves. Once again the Lord has lead me to a new additional work field. This picture shows the Village Called Purok Uno. We started working on this village last January 4 with the approval of a local official Named Weng. She is the one who opened up to me to teach their children some bible stories. While my wife is teaching some songs to the children I was able to talk to her

about the Lord and praise God she accepted the Lord. She Also offered her small Nepa-Hut to be used for bible story and bible study. In our first

Meeting we have an attendance of 15 children and 5 adult in this village. Just last Sunday the parents permitted their children to attend our church worship during our worship service the children

from the village render a song for God. As of Now we have 5 villages that whom we work for bible study. Namely; Caliclic Village, Kabukiran Village, San Roque Village, Purok Uno Village and Villa Purok Dos Shipyard. Please Pray for these villages that many homes will be open for the word of God.

DEDICATION

Last January 23 I conducted a dedication service in one of our prospect. We have a good service because God granted my prayer not to rain in that time. Because of this service I was able to share the word of God to the parents and the relative of the baby.

And Yesterday the family Geminteza made a big deci-

sion to obey the Lord in the water of Baptism. The couple was baptized yesterday after our church service. Please pray for them.
