MAY 2010 MISSIONARY REPORT

Volume 1, Issue 1

## Weekly Ministries

Greetings to all the brethren at Promise Land MBC, Words cannot describe how blessed we are working together with you in the Lord's work.

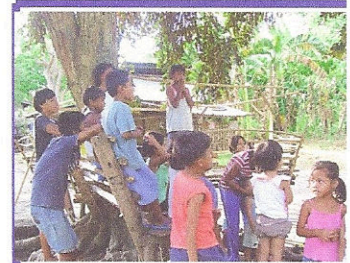

It is always a joy for

me to share with you how the work here grows through the leadership of the Holy spirit and through your prayers.

The month of May became our extension as a result impact from our VBS. Every week we work on visiting and evangelizing around our new home. The people here are very kind and good and blessie

found new friends. Since our student workers were on vacation, my wife and I with bro. Benjamen were working each week distributing tracks and bibles to find new bible study and prospects. We also working on our requirements for starting of our Campos ministry on the month of June.

### Special Prayer request

- Vehicle registration
- Campus Ministry Lunching on June

## Seminary work

Last May 10, leofe handed her resignation as a secretary of Philippine Missionary Baptist Seminary. She de-

ecided to gave her resignation before the enrolment so that the seminary can find new secretary early. She decided to focus

on our children ministry and the same time working on our ladies in the church.
