"A LOOK IN THE LIBRARY"

Two books highly recommended by Bro. Michael:

Living Above the Level of Mediocrity

By Charles Swindoll

In one of Charles Swindoll's most popular books ever, he tackles the problem of mediocrity. With his trademark stories and practical insight, he boldly confronts the issues of self-discipline, laziness, and our tendency to accept less than what we deserve, drawing clear lines between the pursuit of excellence and the pursuit of success in the eyes of the world.

The Jesus I Never Knew

By Philip Yancey

In *The Jesus I Never Knew,* Yancey examines three fundamental questions: who Jesus was, why He came, and what He left behind. Step by step, scene by scene, Yancey probes the culture into which Jesus was born and grew to adulthood, His character and mission; His teachings and miracles; His legacy—not just as history had told it, but as He Himself intended it to be.
