Samal Island Mission Newsletter

January -February Monthly report

Refreshing and family quality time

Church young people

Special points of interest:

- * Please Pray for our work here in Samal Island
- * Up coming VBS this coming April
- * Please help us pray and contribute for our up coming VBS

Happy Valentines Day to all at Promise MBC!

This month my family together with our church young people and some of leofe's classmates we went to the beach to celebrate our valentines day. We made this as our family bonding and for the purpose of refreshing our hearts and mind from all the things that happiness within this months. The church made a very strong and courageous decision to discipline 4 of our members due to public offence. It was hard for me to deal but God help me do the right thing.

Right now we are praying for 4 souls that is committed to serve our Lord and praise the Lord for he is already working on our prayer. Just last week 2 family inform me that they are planning to visit our church may be this coming Sunday. They also plan to attend our Worship and Bible study in Caliclic this coming Saturday Evening.

I want to thank you also for praying for my tongue sores because even if I can't hardly talk because of pain I was still able to finished my Sunday school lesson last Sunday.

Thank you so much for praying for us and for helping us specially for our daily needs every

month.

Birth-Day Celebration

One of our family prospects celebrated a 18th b-day together with leofe's school friends and classmate in San Agustine Babak Samal Island. We surprised the celebrant by

Leofe's friends and classmate

singing Christian b-day song early in the morning at around 4:00 AM . The family was very thankful since that's their first time experience that they were being serenade.
