Samal Island Newsletter

Missionary: Bro. Ruvel Albino

May 28, 2012

Victory belongs to our God!

Greetings to our Beloved brethren in Promise Land MBC and to all subscribers, readers of this Newsletter. It is my joy to share once again the good tidings of our Lords work fresh from Samal Island.

This month our church hosted a 24 hours youth Fellowship. A fellowship that has attended with 7 missionary Baptist Churches with the attendance of 96 young people. Your missionary was invited as the speaker of the fellowship with the theme "Ground Breaking". Our church was able to bring our 15 young people together. I am very blessed because most of our young people was change in that fellowship and make a commitment to serve God. After that fellowship our young people were now working in replace-

ment from our student workers who were now in their churches. Some has asked my wife to teach them how to

teach children, some brought their friends to our church.

Last May 14 your missionary went to Kaputian (a place located in the back of samal island facing davao gulf, a one hour and 30 minutes motorcycle drive from my house). I went to the place to visit Le-

muel Paje an old missionary Baptist member from our sister church in Valencia Bukidnon who is now living in that place. I was able to contact that person and I was able to visit him and his family. Last May 22 I was able to visit them again together with my wife and child and we start having a prayer meeting with 12 souls attended most of them were relatives of Paje Family.

Please continue to pray for our coming vbs this coming first week of June in San Jose village.

More about my family

Last April 28 my family went to "Hagimit Falls" to celebrate my b-day together with some friends. My wife and daughter really enjoyed the fresh water and the very lovely surroundings.

This coming June 4 my daughter will be in school again for preparatory level and inline with this we would like to ask

your help and prayer for my daughter's educational funds and We need 12,100 pesos or 296 dollars to cover all her school expenses. I beseech you brethren to help me for the need of my daughter's education.
