“A child’s smile”

Greetings to all our dear brothers and sisters in the Lord at Promise Land MBC! Thank you so much for the Christmas present you give to us , truly my family has enjoy very much to our family fun day. It was in this day that my daughter has a musicale presentation in one of the malls in Davao city so we use this time as our family fun day for my family to enjoy Christmas. My daughter really likes her new shoe

and dress, and I bought a cell phone for my wife and your missionary bought for himself a pair

o f sandals and two t-shirt.

Then after the fun my family went to pizza to eat lunch. It was a tearful lunch of thanksgiving because that was our first time to eat pizza since Ptr. Michael and Sis. Karen invited us to eat pizza during their visit. My family is so thankful for all of you brethren for your love.

“SAVED JUST IN TIME”

On December 24, your missionary with his family together with our 8 young people we journey going to Valencia City Bukidnon to attend a NORMINVIS youth camp . During our journey we also give away tracts to the places ever time we stop until we arrived. During the lectures one of

our young people Name Gary who attended our church worship just last December 23 made a very courageous decision of accepting Jesus as His savior during the lecture. After the camp we came back to samal island and just yesterday during our service bro. Gary decided to be baptize and so we did baptized him after our worship service was over.
