Prayer List..

- * Please Pray for our VBS on May 19-23, 2014
- * LET examination of my wife on July 27, 2014
- * More souls save and follow the Lord in the Water Baptism

A MILLION THANKS TO YOU....

Last April 3 was my graduation day. A day full of happiness and a celebration of God's goodness throughout my studies. I may not achieve this success without your constant prayers and support to our family. Thank you so much for being an instrument to make my dream come true. I'll be forever grateful to all of you who truly showed kindness and goodness to my family.

As of now I am preparing things for my upcoming LET (Licensure Examination for Teachers). The said exam will be on July 27, 2014. Please include me in your prayers.

THANK YOU SO MUCH PROMISE LAND MBC. We Love you.

GREATER RESULTS COMES

Just for a month of April 13 since we started working in our new church location our attendance grows abundantly. Just recently the owner of Coracay beach resort here in Samal brought his family and 5 resort worker to our

church. And volunteer to help our new set of young people to attend a Mindanao wide Summer youth Camp in General Santos city. Our young people went home with a trophy as champion of Basketball and with heart ready to

follow the Lord in their lives.

Thank you so much Promise Land MBC for helping us for our rental fee for our new church location. we are now working in our new location daily together with the members of the church. We will not make a promise for growth but we will commit ourselves in giving our constant efforts in bringing souls in His feet and to His church to give God the Glory. This coming May 19-23, 2014 our church will be conducting a VBS and the church members joined forces to help provide the snacks of the kids during the VBS days.

"Planting seeds in the hearts"

For the past 7 months of preaching as a volunteer lecturer and Chaplain, those people who received the word of the Lord and has accepted Him as their Lord and Savior is now coming to our church Sunday per Sunday. Just last Sunday 4 out of the 13 visitors surrendered their life to follow the Lord in the water Baptism.

The seeds that was being planted is now growing and this opportunity of bringing them to church happens because of our Preaching minis-

try to the Community. Just last April 16, 2014 in Barangay Miranda Samal Island 210 people gathered together through the help of the government just to listened the word of God. 81

accepted the Lord, 100 people received a copy of the New Testament Bible (Cebuano Version). I also give 10 packs of hygiene Kits.
