SAMAL ISLAND MISSIONARY REPORT

By: Bro. Ruvel Albino & family
Missionary of
Promise Land Missionary Baptist Church

'The turning point'

To God be the glory! Again thank you for praying for us and for your support. Brethren here's our joy of victory that we experience this month. In the picture you see, our present number way back to our old church building, and just for two months we are no longer in that picture, we are now averaging 50 to 80 people consistently attending our church not including the children this is base on our last Sunday worship. We have 1 additional male adult and he is now attending our doctrinal class and leadership training. Our young people is now averaging 40 to 50 individuals, honestly every Sunday we running out of chairs so everyone must come to

church early for them to secure a chair. May 25, in our Sunday Worship 10 young people and 1 pastor has

answered God's call, 5 accepted the Lord and wanted to be part of the church by way of Baptism, 5 others responded the Lord for service and 1 Central Baptist Pastor want to apply for transfer of membership to missionary Baptist and after that he wants to be rebaptized his church members. My wife and I

were very emotional, while I was preaching about Isaiah 54:2 because we are now experiencing great turning point in our ministry.

Brethren your decision of helping us to have a church location that we have now is very well effective and we are so thankful for you all for making the Lord church be effectively grow.

The Mighty God (VBS 2014)

The Lord is Great because He knows how to provide His work. Every Member, friends and even local government politicians contributed in our Vacation Bible School, my wife and I provided the money for the awards of school

supplies which we are taken from our funds intended for the registration of the Vehicle & motorcycle. Others for the snacks for the whole day, then the local Government politicians provided the snacks and lunch during our

graduation day. Our total attendance were 379 children and 41 adults. 117 children ages 12-17 accepted the Lord as their personal savior, then 30 adults accepted the Lord as well and most of them are now attending our church.

At the altar

48 young people visited our church worship
