KINDER SUNDAY

Greetings in Jesus lovely name!

Thank you so much once again brethren for mentioning us in your prayers and your Absolute love to our God and his work.

Brethren, for this months reports we would like to share to you our joy and victory that the Lord accomplished in his church. Our God Blessed so much our preschool ministry with a very supportive and obedient parents in our school . Just recently our school parents donated 2 Air conditioned unit in our church. Right now our church building is fully Air coned. Aside from that they also signed to attend in our church's worship every first Sunday of the month. In the picture above is our Kinder Sunday, in this program the parents and their children is

encourage to join in our worship service. In this program the parent will be able to hear the preaching of Gods Holy word. Just recently 34 parents attended our Kinder Sunday and we invited Ptr. Lony Babelonio of Pauline MBC to be our Speaker and by the grace of God 7 parents forwarded to accept the Lord as their savior. Personally me and my wife talks about our sacrifices Sunday afternoon after church and

she said to me "our sacrifices is now Paid off." brethren the more our school grow, our church also will grow numerically and financially. The way our church is growing now the more I become excited what the Lord will do when we have our own church permanent location. oh how beautiful it is to work in the Lord. To HIM be Glory!
