SPECIAL INFORMATION

Last April 26 the owner of the Building that we are renting went back to America, their whole family and they will come back after 3 years. The owner place me as overseer of the building, their house, and their Beach resort.

They would like to know how long are we going to rent their building. Right now we agreed to deposit to the bank the monthly rental and the income of their beach resort.

Greetings in Jesus Mighty name!

Brethren, Thank you once again for your prayers and for continued subscribing our newsletter thoroughly your passion inspired and transformed us in the work of God. The month of April was the difficult month for us. My wife has undergo a very risky operation at the same time praying that God would hold our baby healthy in spite of the intake medicines and pain. During this time we also experienced financial problem on how we can find money for the medications in which our tears and prayers to God were the only evidence of our heartache. Brethren In this time in which our faith is being shaken, we become more fighter than ever, though our eyes overshadowed with tears we never loosed sight of Gods help and we hold Him so strong. Brethren, I would like to apologized,, because we lend to the pawnshop the motorcycle for us to help pay the operation of my wife and her medications.

Right now my wife is already recovered her strength but we still praying that God will take care of our Baby away from harm effects of those medicines.

In the month of April, I was invited to do a three (3) seminar about Anti-Drugs to High school Public School Teacher on April 29-May 1, 2015 in which during this seminar 2 teachers accepted the Lord.

Last May 1- 2 our Church hosted the Metro Davao Mens Fellowship. Our Church is looking forward this year to bring more men in our church.
