#### **SOLOMON'S DESIRE TO BUILD**

(I Kings 5:1-6)

Solomon was given a desire by God to build the temple. We have recently voted as a church to move forward with our desire given by God to build a new sanctuary. A temple houses the presence of God, so we are not building a temple because we are His Temple (I Cor. 6:19). A sanctuary is a place that is consecrated from the world that God's people can come for the purpose of worship, praise, and adoration to our Savior Jesus Christ. I pray that our church would follow after the same pattern to build this sanctuary as did Solomon to build the temple.

- IV. **The Provision To Build** (I Kings 6:12-14)
