From The Pastor's Heart

IS IT REALLY WORTH IT?

(James 1:13-15)

In our text this morning, James begins to describe the process of sin in our life. We see that sin begins when we are enticed which leads to temptation. Once we are tempted we begin to lust (really want it), and after we lust after it we give in and accept it. Once it becomes sin, that sin brings us death. Death means the state or condition of coming to an end, the state of being separated. "You Got What You Wanted, But You Lost What You Had."

Genesis 3:1-7 What is it that we lose?

The Fellowship of God (Psalms 73:28)

The Peace of God (Philippians 4:7)

The Joy of God (John 15:11)
