As many of you already know, our church is preparing to take a load of supplies to Baton Rouge to the flood victims. New Harmony MBC, the parsonage, and members homes have all suffered from this tragedy. The pastor, Scott Lemley, his wife and 3 children, along with the rest of the membership have been displaced. Some of our men are leaving in the morning going to take what supplies we have and working Monday, Tuesday, and returning home Wednesday. If you would like to go on the trip please let Bro. Josh know. If you cannot make the trip but want to help, there is a flyer at the back of the church giving more details and a list of ways we can help and some of the supplies that are being accepted. Along with the supplies we will need plastic storage containers instead of cardboard boxes to protect everything. Anything you would like to donate can be left in the gym. Everything will be packed in plastic storage containers and will be left with the families to be used as needed. Thanks to everyone who has and will help in this effort.

We hope you receive a blessing. Visitors, please fill out the visitor card in front of you and place in the offering plate. Thank you!
