"WHICH KNEW NOT JOSEPH"
(Exodus 1:5-8)

In our text today we see that Israel is still living in Egypt. It is believed that from the time that Joseph died till this Pharaoh began to reign is 350 years. It took 350 years for Egypt to forget the story of Joseph which began to change their culture. Notice this morning what happens when the story is forgotten.

I. <u>They Were Ignorant Of His Story</u>

II. <u>They Were Insensative To His Family</u>

III. <u>They Ignored His God</u>
