From the Pastor's Heart

A HEAVENLY THEOCRACY

(I Samuel 7:15-8:7)

A theocracy is a system of government in which priests rule in the name of a god. A theocracy is also defined as government by divine guidance or by officials who are regarded as divinely guided. Israel was a theocracy beginning with the leadership of Moses until the anointing of Saul as King. The theocracy of Israel reads that:

1. God was their ultimate ruler.
2. God gave their leaders guidance.
3. Israel was willing to follow God's leadership through His men.

A Heavenly Theocracy is a government in which the God of Heaven is the ultimate ruler, where God gives the guidance, and where the people are willing to submit to His leadership. Notice:

- I. A Divine Purchase (Exodus 15:16)
- II. A Divine Power (Exodus 15:1-18)
- III. A Divine Prostration (Exodus 19:3-6)

If you would like to donate to the flower fund to help maintain the flowers for the church, please get it to Jan Hodge or Phyllis Hill. If you would like to place it in the offering plate, write "flower fund" on the memo line.

“Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven.”
